

ShyBoy Biography

Named the *LA Weekly* Best Solo Artist 2017, ShyBoy is a vocalist, songwriter, composer, producer, and DJ whose songs have appeared in numerous TV programs, films, and games, including the Emmy Award-winning show *RuPaul's Drag Race* (VH1), *America's Next Top Model* (CW), *Sex And The City* (HBO), *Six Feet Under* (HBO), Joss Whedon's *Dollhouse* (FOX), the multi-platinum video game *The Devil May Cry 4* (Capcom), and more. ShyBoy has performed throughout North America and in Europe, sharing the stage with artists such as Amanda Palmer, Griffin House, Bell X1, Meiko, and Flo Rida.

A resident mashup DJ and performer at the award-winning Los Angeles dance party Bootie LA, ShyBoy has produced remixes for Donna Summer, RuPaul, Purple Crush, Beyoncé, Whitney Houston, and many others. As the lead singer for the band Hypnogaja, ShyBoy released several critically acclaimed recordings, including the single "Dark Star" (featuring Slimkid3 of The Pharcyde), and received a Hollywood Music in Media Award for Best Male Vocalist.

An array of writers and artists have collaborated with ShyBoy, including Emmy, Grammy, and Tony Award-winning songwriter Allee Willis; DJs robot koch, Darude, Menno de Jong, and Eddie Amador; Emmy and Annie Award-nominated lyricist and songwriter Amy Powers; vocalists Nicole Scherzinger (The Pussycat Dolls), Kat Robichaud (*The Voice*), and Julia Fordham; Saturn Award-winning writer/producer Bryan Fuller (*American Gods*, *Hannibal*, *Pushing Daisies*); Emmy Award-winning composer Jim Dooley (*Pushing Daisies*); and legendary singer-songwriter Wendy Waldman.

ShyBoy is currently recording a new album with gold and platinum album-selling record producers Mark Nubar and Jeff Hoeppe. Additionally, he is collaborating with Nubar and composers Jim Guttridge and Sean Hosein (CW's *Beauty and the Beast*) under the moniker Warningfield, a project that combines dramatic film score and conceptual pop music.

"If Nick Drake, Alan Parsons Project and M83 spawned a child raised on a healthy diet of Prince, Alfred Hitchcock, and classic science fiction films, it would be something resembling ShyBoy. He makes a bold, tuneful impression on today's indie-pop landscape." -HuffPost

ShyBoy Biography

"Versatility as admirable as it is wonderfully dramatic." -Buzzbands.LA

"A cross-pollination of RJD2, DJ Shadow and '2001: A Space Odyssey.' ShyBoy's soulful vocals are irresistible." -Monterey County Weekly
